June 11th, 2021

We hereby declare that our food contact parts of **Thermomix TM6** listed below

Varoma lid
Varoma bowl
Varoma insert
Measuring cup
Mixing bowl lid
Splash guard
Mixing bowl
Knife
Knife sealing
Butterfly
Simmering basket with lid
Spatula
Blade cover

comply with the statutory provisions of Regulation (EC) No. 1935/2004 and of Regulation (EC) Nr. 2023/2006 as well as Regulation (EU) No. 10/2011 and BfR Recommendation XV in their respective current versions.

The overall migration and the specific migrations are below the statutory limit values in the case of use corresponding to the specifications. The tests were performed in accordance with the above mentioned regulations.

The materials used comply with Regulation (EC) No. 1935/2004 and Regulation (EU) No. 10/2011 as well as BfR Recommendation XV.

Materials used: stainless less (mixing bowl and knife) and high quality plastics for all other parts

This declaration applies to the products supplied by us as described. The products fulfill the stipulations of Regulations (EC) No. 1935/2004 and (EU) No. 10/2011 and BfR Recommendation XV, provided that the stated food contact conditions which are described in the TM6 manual are observed. In the case of use deviating from these conditions, the user must take the necessary steps in order to establish the suitability of the products for themselves.

Wuppertal, June 11th, 2021

A handwritten signature in black ink, appearing to be 'F. Meyer'.
